A handwritten signature in dark ink on a light-colored, textured background. The signature is stylized, featuring a large, sweeping loop on the left side that encircles the central part of the name. The central part of the signature consists of several vertical, slightly wavy lines, possibly representing the letters 'H' or 'M'. A horizontal line extends from the bottom of the central part towards the right, ending in a small, curved flourish. The overall impression is that of a personal or professional signature on a piece of paper.
